

# SPONSORSHIP OPPORTUNITIES

7creeksfest.org

7 Creeks Fest invites residents and visitors to celebrate and explore the scenic waterways, diverse ecosystems, and winding trails of the 7 Creeks Recreation Area in Jacksonville.

Spread throughout the connected wilderness parks and preserves surrounded by seven creeks, this family-friendly event raises awareness of these preserved public lands and how we can help protect them.

The fest highlights the area's recreational opportunities, local efforts to enhance and protect these green spaces, and offers nature-themed activities and exhibits that emphasize education and environmentally-responsible adventures.

Your support of 7 Creeks Fest contributes to:

- preservation of healthy natural environments and cultural resources,
- deepening the community's connection to their public lands,
- and educational and enriching engagement activities for community members.
