

# Sponsorship Opportunities

The 7 Creeks Fest invites the community to celebrate and explore the scenic waterways, diverse ecosystems, and winding trails of the 7 Creeks Recreation Area. Spread throughout the connected wilderness parks and preserves surrounded by seven creeks, this family-friendly, fun event raises awareness of these preserved public lands and how we can help protect them.

The fest highlights the area's recreational opportunities, local efforts to enhance and protect these green spaces, and offers nature-themed activities and exhibits that emphasize education and environmentally-responsible adventures.

Your support of 7 Creeks Fest contributes to:

- preservation of healthy natural environments,
- deepening the community's connection to their public lands,
- educational and transformative engagement activities for community members.

---

*Getting out in nature is good for you and for the community! Science has proven that time and time again.*

---

Timucuan Parks Foundation is honored to offer the following benefits to recognize your support at each of these levels:
